Serving the world through sport

www.omsa.org.za

Use your talent in sport to bring the hope of Jesus Christ to a needy world.

You can play ball on a dusty field in South Africa or shoot hoops in Rwanda. Maybe you would prefer wrestling a European or scoring goals in Zambia. No matter where you come from and what language you speak, there is one topic that brings us all together - **SPORT**.

A multitude of opportunities exist for you to use your natural athletic ability in sport to share the gospel.

OM SportsLink aims to help those who are passionate about Jesus and about sport to use their talents for His kingdom.

For both **players and coaches** we offer training and internships to develop skills and give practical tools to share Jesus through sport. We also place people in appropriate sports ministries or churches to get hands-on experience.

We equip **churches** to make a difference in their communities through sport, by providing training on how to run sport clinics, tournaments and camps.
